

## I Kay, I Kay, I Kay

President Jane welcomed 35 members which included Honorary Member Derek Risbey celebrating 40 years in Rotary (see overleaf). There was one visitor who was also our speaker, Assistant Governor Rotarian Iain Kay from the Durham Club. 13 apologies were received.

There were three notices given by two Rotarians before the President spoke:

- Steve Rose, speaking on behalf of Gary Blenkinsopp and the Community Service Committee, encouraged members to sign up for the meal at Darlington College in aid of our local foodbanks;
- Michelle Thompson firstly thanked everyone who had sponsored her recent trek in Peru which had already raised over £2,500 for St. Teresa's Hospice. She asked that members who had pledged outstanding payments totalling £180 give her the money as she would soon be closing the fundraising page;
- Michelle also promoted the Wild About Darlington initiative – a board is circulating and how to find full details are overleaf.

A well-researched and presented Thought for the Day was given by Jane Cook. 9<sup>th</sup> January is the Feast of the Black Nazarene in the Philippines – a major bank holiday which focuses on a charred representation of Christ (left) and includes many thousands taking part in a parade (right).

Jane went on to consider the many ways that Filipinos contribute to life in the UK: 40,000 nurses, 90,000 care workers, 6,000 working on Scottish trawlers. She also said that 25% of sailors in the merchant marine in the world were Filipino. Wow!

Rotary in Manilla, chartered in 1919, was the first Rotary club in Asia and there are now 25,000 Rotarians there in 100 clubs.

President Jane welcomed the returning Bob Schofield (left) following his stepping down due to having two hip replacements which had limited his mobility. Welcome back Bob!

Although Walid had nothing to report, the President thanked Ged Wiper for again stepping in as secretary as Andy Teague is having back and shoulder problems. We wish him well for a speedy recovery.

Jane's week, "Moderately busy," she said, included International Committee where fundraising ideas were discussed. She also attended a national seminar on Communications and PR as district representative. She went to the meeting ready with a number of issues she was facing only to find that everyone else was experiencing the same. These included limited impact of using Facebook to attract new members and she again urged everyone to "Like" and "Share" our posts to increase reach.

fundraising ideas as well as progressing their interest in becoming more closely involved, possibly by becoming a satellite club.

Community Service meeting had been cancelled due to the weather so it remained for Jane to congratulate Alan Charlton on winning the Bonus Ball then pulling out Ged Wiper's number in the wine draw. Ged then gave details of meetings next week which are all covered in this report.

Our speaker, Assistant Governor Iain Kay (above), gave an enthusiastic summary of his time giving support for Group 5 clubs which are those in central and south Durham. He went through the work he was undertaking to try to revitalise the membership and described ways of forming new clubs as well as having better links to parents of Rotakids and Interact.

Iain was open to questioning which included Peter Phillips making a fine pun involving "decade" and "decayed." Iain, a vegan, was also delighted that he had been served a delicious tomato and basil tart for lunch instead of the usual mushroom stroganoff.

President Jane gave the vote of thanks for his talk and for all the work he is doing for clubs in our area.
