HELPING TO FLUSH AWAY POVERTY

Darlington Rotary is promoting toilet twinning as an easy, low cost way of benefitting people in poor communities world wide. The toilet twinning campaign is organized by the Christian Charity “Teardrop” which is a registered charity No. 265464

TWIN YOUR TOILET—AND SAVE LIVES

- **By donating £60** to twin your toilet, you help fund a project in a poor community that will enable families to build a basic toilet, have access to clean water and learn about hygiene – a vital combination that saves lives.
- **When you twin**, you receive a certificate to hang in your loo – showing a photograph of your overseas toilet twin and GPS coordinates so you can look up your twin’s location on Google Maps!

DID YOU KNOW?

- 2 billion people don’t have somewhere safe and hygienic to go to the toilet.
- The lack of a loo makes women and girls a target for sexual attack as they go to the toilet in the open, late at night.
- Almost 1,000 children die every day from preventable diseases linked to dirty water and unsafe toilets. (UN)
